

**Redesigned**

## ***Super Collector E2 vfd Portable Vacuum Collection System*** (formerly Super Collector 3000 vfd)

2 hp motor, 5,000 "free air" cfm fan and the new turbo top delivers outstanding performance for all your commercial cleaning projects!

Variable speed controller gives you added flexibility!

Cleanable pre-filter drawer saves you hundreds of dollars every year!

High capacity HEPA filter last 1-3 years for maximum protection and value!

Choose from:

- 110v, 60Hz unit
- 220v, 60 Hz unit
- 220v, 50 Hz unit

Excellent portability with 10" wheels, 175 lbs and 24" x 29" x 50" size.

### ***Performance, portability and savings all in one package!***

The redesigned Super Collector E2 vfd gives you better performance in a smaller more portable package. Perfect for all your commercial air duct cleaning projects!

No other portable vacuum collection system gives you the performance and productivity that comes from a 2 hp motor, with variable speed controller, 5,000 "free air" fan and the new turbo top. The smaller size and weight gives you much better portability.

Plus, you get the lowest operating and owning cost due to our unique filtering system for the best value!
