

Introducing

Super Collector Dual E1.5 Portable Vacuum Collector

Designed for residential, light commercial, apartment, condo, marine and other air duct cleaning projects.

(2) 1.5 hp motors with (2) 2,500 "free air" cfm fans deliver a total of 5,000 "free air" cfm!

Cleanable pre-filters save you \$400 to \$1,000 every year.

One person portability with 144 lbs, 10" wheels and small size!

Two year warranty and "money back performance guarantee" gives you added peace of mind!

Use as an air scrubber or negative air unit (ask us how).

"Dual Suction" Meets "Lowest Cost!"

The Super Collector Dual E1.5 portable vacuum collection system delivers more performance (suction) in a smaller package at the lowest possible cost to give you the best value!

No other dual motor portable vacuum collection system gives you the performance of (2) 1.5 hp motors & (2) 2,500 "free air" cfm fans that deliver a total of 5,000 "free air" cfm; the cleanable pre-filter saves you a bundle on filter replacement cost year after year after year; and the portability to get in and out quickly and easily.

It's the perfect unit for residential, apartment, condo, marine and other air duct cleaning & air scrubbing projects!
