

Designed for residential, light commercial, apartment, condo, marine and other air duct cleaning projects.

(1) 1.5 hp motor with (1) 3,500 "free air" cfm for excellent productivity!

For larger projects connect two units together and get 7,000 "free air" cfm!

Cleanable pre-filters saves you \$400 to \$1,000 every year. Over 5 years that's a savings of \$2,000 to \$5,000!

One person portability with 115 lbs, 10" wheels and small size!

Two year warranty and "money back performance guarantee" gives you added peace of mind!

Super Collector E1.5 Portable Vacuum Collector

Lowest Cost & Most Powerful Collector in its class!

The Super Collector E1.5 portable vacuum collection system delivers more performance (suction) in a smaller package at the lowest possible cost to give you the best value!

No other portable vacuum collection system gives you the performance of the 1.5 hp motor and 3,500 cfm "free air" fan that gives you excellent productivity; the \$400 to \$1,000 annual savings of cleanable pre-filters; and the portability to get in and out quickly and easily.

It's the perfect unit for residential, apartment, condo, marine and other air duct cleaning projects!
