

Redesigned

***Super Collector E2 vfd
Portable Vacuum Collection System***
(formerly Super Collector 3000 vfd)

Super Bag House

2 hp motor and 5,000
"free air cfm fan delivers
outstanding performance!

Variable speed controller
gives you added flexibil-
ity!

Cleanable pre-filter
drawer saves you hun-
dreds of dollars every
year!

High capacity HEPA filter
last 1-3 years for maxi-
mum protection and
value!

Operates as very portable
145 lbs stand alone unit.

Add the Super Bag House
for projects that require
large collection capacity!

***Performance, portability and
savings all in one package!***

The redesigned Super Collector E2 vfd give you the same great performance but with more flexibility and portability.

No other portable vacuum collection system gives you the benefits of 2 hp motor with variable speed controller, 5,000 "free air" fan that maximizes your productivity, cleanable pre-filters drawer and high capacity HEPA filter for the lowest operating cost, dual voltage (110v & 220v) capability, excellent portability, a two year warranty, and a money back performance guarantee!

Plus, the Super Bag House for project that need large collection capacity!
