

***Super Reach 98
Multi Cleaning System for
super productivity and profits!***

The Super Reach 98 multi cleaning system is a great cleaning tool that lets you clean up to 98' (30 m) each way from one access opening.

Fewer access openings mean your productivity and profits improve on every project! Plus, the longer reach means you can easily clean those hard to reach areas. Multi cleaning means you can power brush, air wash and spray with one system for maximum versatility and value! Handy reel is easy to use and transport for excellent mobility.

Features & Benefits

- Multi cleaning means you can power brush, air wash and spray with one system for maximum versatility and value!
- Electric gear motor drives flexible 98' (30 m) cleaning shaft.
