

***Super Collector TG31 Plus
Trailer/Truck Mount Gas
Vacuum Collection
w/Compressor!***

The Super Collector TG31 Plus is a self contained trailer or truck mounted vacuum collection systems with a built-in compressor and unique enclosed filtration system. It is designed for residential and one story commercial projects.

The SCTG31 Plus is only 4' wide, 4' high and 6' long so it will easily fit on your trailer or truck. You just bolt it on and go! This powerful package delivers a maximum static pressure rating of 30" W.C. which is double the performance of other trailer and truck mount vacuums at less than half the cost. The compressor delivers 23.1 cfm at 175 psi. This combination means you get maximum productivity for maximum profits!

Features & Benefits:

- Powerful 31 hp Briggs Vanguard OHV gas engine drives both the vacuum turbo fan and compressor. This eliminates the problems and maintenance on a second motor while saving you space and weight .
- The 12 bladed 23" clean-air turbo fan is dynamically and statically balanced to generate up to 30" W.C. (static pressure) for maximum productivity and profits.
- The compressor delivers 23.1 cfm at 175 psi with a 30 gallon receiver tank to handle all of your air washing, air whipping and air tool needs.
- The unique enclosed filtration system features a large easy to clean out 28 cu. ft debris bin and 33 Dacron filter bags.
- The self contained SCTG31 Plus is only 4' wide, 4' high and 6' long so it will easily fit on your trailer or truck. You just bolt it on and go!
- The heavy-gauge shell is reinforced from within and features continuously welded seams. This means you get the structural integrity and quality needed to handle years of the rough over-the road service.
- Front engine and drive mounting provides for easy access and maintenance.
- Two year warranty for added piece of mind.

Specifications:

Typical SCTG31 Plus Package

1-SCTG01 Super Collector TG31 Plus Vacuum Collection System

- 31 hp Briggs Vanguard OHV gas engine
- 23" diameter, 12 blade turbo fan
- 30" W.C. static pressure
- 175 psi/23.1 cfm compressor
- 30 gallon receiver tank
- 8" diameter inlet
- 28 cu ft. debris bin
- Unique 33 Dacron filter bag filtration system
- (2) 6.6 gallon fuel tanks
- 12 volt/starter
- Hour meter, tachometer and service indicator
- 73" (L) x 48" (W) x 48" (H) - 1480 lbs

Hoses, Couplers, etc

- 2-SCTG01 (5) 8" x 25' Black Magic hoses
- 2-SCTG02 (4) 8" Taper lock coupler
- 2-SCTG03 (2) 8" Dia. Stainless steel quick clamps
- 2-SCTG04 (1) 8" Dia. Economy duct mounting flange

Typical Residential Air Duct Cleaning Package*

- 1-SCTG01 **Super Collector TG31 Plus Vacuum Collection System**
(see previous page for details)
Hoses, Couplers, etc
(see previous page for details)
- 1-SCB50 **Super Combo Brush Package 15/20**
(1) 15' flexible cable w/drill adapter
(1) 20' solid core cable assembly
(3) Nylon brushes (8", 12", 18")
(3) Silica carbide brushes (8", 12", 18")
- 2-AC12 **Standard Air Compressor Accessory Package**
(4) 50' x 1/4" air hose w/quick couplers (300 psi rated)
(1) 25' skipper line with reverse air sweep nozzle
(1) 25' skipper line with forward air sweep nozzle
(1) Blow gun
- 1-DAK-R **Duct Access Kit**
(1) 2" to 12" hole cutter
(1) Replacement bit for hole cutter
(1) 1" vari bit hole cutter
(1000) 1" cap plugs
(5) 8" x 8" service panels
(5) 10" x 10" service panels
(5) 12" x 12" service panels
(1000) zip screws
(3) 24" x24" foam isolation cubes

(Consult factory for current pricing)

Optional Items:

- Super Whip Cleaning Systems
- ULV fogger & sanitizers
- Portable HEPA vac for contact vacuuming
- Super Inspector V System
- Training & More!

Other Vacuum Collection Systems:

- Super Collector E1.5 electric portable
- Super Collector E2 vfd electric portable
- Super Collector G20 gas portable
